Refining

USIA-controlled Donau Chemie A.G. received delivery of another shipment of pyrites. Although the Soviets have not disclosed the ultimate source of these pyrites, it is known that this shipment was forwarded to Donau Chemie from Salzburg. [redacted] the SWV allocated the following amounts of sulfuric acid:

5. The SMV Purchasing Office has also ordered sulfuric acid from Franz Reimann, a USIA employee. [redacted] Reimann has already received delivery of 16 tons of gasoline from the SMV's Wifo-Lobau storage depot as compensation payment for this purchase.
6. Meanwhile, SMV refinery officials have renewed their requests to the Purchasing Office for sulfuric acid. Recently in commenting upon the shortage of sulfuric acid, the director of the Kledering refinery estimated Kledering's output of re-fined products during the past two months at 15 to 22 percent of the SMV-established norm for this refinery.

7. SMV purchasing agents are again having difficulty procuring iron pipe. Last spring the SMV ordered considerable quantities of pipe both from [redacted] [redacted] However, as a result of the Purchasing Office's failure to pay [redacted] USIA started diverting pipe originally imported from Rumania for SMV Austria to SMV (sic) Germany. In this connection it is reported that the volume of pipe shipments from the USSR has decreased markedly in recent weeks. (2)
8. The SMV has received two carloads containing a total of 30 tons of commercial salt from an unspecified supplier in Bad Aussee. (3) Donau Chemie A.G. recently delivered a shipment of 15 tons of carbides to the SMV Central Warehouse.

Shipments from the Soviet Union

9. [redacted] the following shipments from the USSR 25X1 were received at the SMV Central Warehouse in Neusiedl a/d Zaya:

9 carloads containing a total of 170,610 kilograms of iron pipe from Khrampik.

1 case of ball bearings weighing a total of 11 kilograms from Sarata (sic).

SMV Purchasing Office

10. Within the past two weeks SMV warehouses have received an estimated 1,200,000 to 1,500,000 schillings' worth of equipment and materials on credit. SMV Headquarters has just advised the various SMV installations to accept no further deliveries until the annual inventory which the Purchasing Office will start taking on 30 October 1950 has been completed. SMV Headquarters has also ordered the Purchasing Office to reduce its commission on all official purchases to two percent.

G. Rumpel A.G.

12. In recent months the Rumpel A.G. plant in Siebenhirten has rebuilt a total of 149 deep well pumps and two casing heads for the SMV.(9) The SMV Purchasing Office disbursed 42,000 schillings as down payment on 30 pumps which have already been delivered to the oilfields. Late in October 1950 the SMV received 107 "Axelson" deep well pumps from Rumania. These pumps are now being stored at the SMV Central Warehouse, Neusiedl a/d Zaya, awaiting transfer to the Rumpel workshop in Siebenhirten.

25X1 13. Rumpel A.G. is now manufacturing a special [] type of nozzle designed for Diesel motors. (10) Ing. Egon Neumann furnished Rumpel with the model for these nozzles which he had procured [] at a cost of 25X1 10 or 11 dollars apiece. (11) Rumpel A.G. is charging the SMV 56 schillings per unit and has already delivered 316 nozzles.

25X1 (1) [] Comment: Franz Reimann, Vienna VII, Neubaugasse 21, has previously 25X1 acted as an intermediary for USIA and the SMV []

25X1 (2) [] Comment: []
[] USIA has received 1,600 to 1,800 tons of seamless drill pipe from Metallimport Trust which represents partial delivery on a contract for 3,000 tons.

25X1 (3) [] Comment: The Oesterreichische Salinen plant in 25X1 Bad Aussee may have supplied this commercial salt.

25X1 (4) [] Comment: Possibly identical with Walter Schmaddebeck, Vienna VI, 25X1 Morellstrasse 3.

25X1 (5) [] Comment: Probably identical with Ing. Ewald Eichler, Vienna IV, 25X1 Favoritenstrasse 20.

25X1 (6) [] Comment: This firm cannot be accurately identified from available 25X1 reference material.

25X1 (7) [] Comment: [] may refer to "Rila" Lack-u. Farbenherzeugung G.m.b.H., 25X1 Vienna XI, Leberstrasse 108.

25X1 (8) [] Comment: Possibly identical with Josef Lugert, Armaturenfabrik und 25X1 Metallgiesserei, Vienna XI, Hallergasse 8a.

25X1 (9) [] Comment: [] previous report on the repair of SMV 25X1 equipment at the Rumpel workshop []

25X1 (10) [] Comment: [] the SMV 25X1 Purchasing Office had paid an unidentified supplier 200,000 schillings for 25X1 300 [] nozzles which were later found to be defective.
